- D. Automatic modification of water usage rates. The foregoing water rates, for all users, for water usage shall be modified annually starting with the January 5, 2024 utility billing. The rate shall be modified by increasing the rate then existing, rounded up to the nearest one-tenth of a whole cent, by two percent. The automatic modification of water usage rates shall continue annually unless the governing body, by resolution, determines otherwise. The customer charge component is not subject to the automatic rate increase.
- E. Definitions. For purpose of this Section "Residential Service" is defined as service to residential premises for non-commercial use by the occupant of such premises. "Industrial Service" is defined as a company primarily engaged in the manufacturing of products. "Commercial Service" is defined as all users not meeting the definition of "Residential Service" or "Industrial Service".

Section 2. Section 15-227 to the Code of the City of Russell is hereby amended to read as follows:

Section 15-227: RATES ESTABLISHED OUTSIDE CORPORATE LIMITS. . All water sold or furnished by the Waterworks Department of the City of Russell to users or water customers located outside the corporate limits of the City, measured by meters, shall be at the following monthly rates:
